Thanks Karen! I'll reach out the folks in CPRC and send you the list of mediators if I get my hands on it. I'll also keep you updated if this goes to mediation, which is a definite possibility.

Hello everyone –

In preparing the Region's report to OMB & CEQ on use of dispute resolution during FY 2016 (October 1, 2015 – September 30, 2016), I need your help!

Please respond to me (Please use "Reply", do not use "Reply All") if you have used any third party neutral to facilitate or mediate any aspect of any case or matter in 2016; If someone on your staff or in your office had such a case or matter, please respond to me by providing their name.

If you did, please review both the attached chart and the questionnaire, and email me directly (do not edit the documents) with the following information:

If your case is on the chart, is all the information in the chart accurate? If so, please let me know. If not, please provide updated information.

Please provide your response to any of the questions on the questionnaire to which you have something to add.

**Please reply by December 30, 2016.**

If you have any questions, please call me.
